

PRAYER FOR YOUR CITY

Please speak this prayer out loud every day!

Jesus, You are the Prince of Peace. I thank You that You have given me Your peace, equipping me to establish the Kingdom of God on Earth as it is in Heaven — today, in this time and in this city.

I speak, “Peace, be still,” to every storm in my family’s life, my neighborhood and my city (Mark 4:39).

Jesus, I thank You that You have given Your Word to personally break down every dividing wall of hostility that may exist between my family members, those in my neighborhood, and especially every dividing wall of hostility between people of all creeds, colors and races in my city (Ephesians 2:14).

I unleash the power of Your peace that has the ability to influence every decision maker including city leaders and civic authorities and all those whose aim is to destroy the foundations of freedom, liberty and godliness (Colossians 3:15).

I thank You that Your Word is true and it will accomplish all You sent it to accomplish

I declare that Jesus is Lord over (name your city).

In Jesus’ Name. Amen!
